Re: *Subscriber Acknowledgement Report November 28, 2005,
WC Docket Ns. 05-196*

Dear Ms. Dortch:

Phonom LLC ("Phonom") submits this Report in response to the October 31, 2005 Public Notice ("the Public Notice") in the dockets listed above.

- In response to its efforts to date, Phonom has received affirmative acknowledgement from approximately 71% of its business customers and approximately 83% of its residential customers.
- Approximately two weeks after the October 31, 2005 Public Notice, Phonom sent out an additional postcard requesting affirmative acknowledgement from customers who had not previously responded. That postcard elicited a helpful but not overwhelming response. Phonom plans to make one more mailing and then to resume direct outbound calls to individual residential and business subscribers. Phonom will also consider additional methods if it does not achieve a substantial increase in the percentage of affirmative acknowledgements through those efforts.

Please contact me at 757.248.4160 or sperkins@cavtel.com if you have any questions regarding this Report.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stephen T. Perkins".
